**Subject: Letter of Approval to deregister from CDM and register in VCM**

World Vision Ethiopia has been implementing Humbo A/R CDM Project based on letter of no objection dated August 1, 2005 Ref. No. 1/MT-60/1 and letter of approval for the same dated 28/01/2000 Ref. No. 2/አአድ-ቪዥን-36 provided from the former FDRE Environmental Protection Authority. Moreover, in response to your request to transition the project from CDM to Voluntary Carbon Market, our commission has issued letter of approval dated February 19, 2019 Ref. No. 3/S.1/1083/11.

Now, in response to your request for Letter of Approval for deregistration of Humbo Afforestation/Reforestation Clean Development Project and register in Voluntary Carbon Market dated March 19, 2020 Ref. No. WVE/283/20, our Commission as DNA issued this letter of approval with full understanding and support of the deregistering of the project from CDM to VCM.

In this regard, our Commission acknowledges World Vision Ethiopia for pioneering the design, implementation, monitoring and reporting of such carbon financing projects and channeling carbon revenue to the project beneficiaries and the country from the sale of certified emission reduction and contribution towards achieving our Climate Resilient Green Economy vision. In line with this, the commission wants to confirm its full engagement and support to the realization of this project on the ground.

Sincerely Yours,
