Re: Host Country Approval to "Humbo Ethiopia Assisted Natural Regeneration Project" CDM project

Reference is made to the above-captioned subject and to your letter requesting host country approval of the Project Design Document (PDD) on Humbo Ethiopia Assisted Natural Regeneration Project.

The CDM Advisory Panel convened by the Designated National Authority on 21 September 2007 has considered the stated PDD. According to the recommendation given by this Panel, we would therefore like to confirm that:

- (i) The Federal Democratic Republic of Ethiopia has ratified the Kyoto Protocol in February 2005.
- (ii) This project is in line with the national development objectives of Ethiopia and thus its implementation will contribute to the sustainable development of the country.
- (iii) This is approval of voluntary participation in the proposed CDM project.

Sincerely Yours,

Dessalegne Mesfin
Deputy Director General
