Reference is made to your written application for a letter of Approval (LoA) in respect to the Clean Development Mechanism (CDM) "**Institutional Improved Cook Stoves for Schools and Institutions in Uganda**".

I, the Designated National Authority (DNA) for Uganda, confirm as follows:

In my capacity as the CDM Designated National Authority for Uganda (DNA), under the Kyoto Protocol, I therefore issue this letter of Approval to the Project Participant "**Simoshi Limited**" in support of the proposed Project "**Institutional Improved Cook Stoves for Schools and Institutions in Uganda**" as a Clean Development Mechanism (CDM) project, for the purpose of Article 12 of the Kyoto Protocol.
