Subject.- Letter of Approval for Replacement of traditional charcoal stoves with efficient EcoRecho stoves in Haiti

As the authorized representative of National Committee on CDM (Designated National Authority-DNA for the Republic of Haiti) under the Kyoto Protocol, I hereby approve the "Replacement of traditional charcoal stoves with efficient EcoRecho stoves in Haiti", as a clean Development Mechanism Programme of Activities (CDM PoA) and confirm that:

- I) The Republic of Haiti has ratified the Kyoto Protocol on October 4, 2005;
- II) The Republic of Haiti participates voluntarily in the Clean Development Mechanism (CDM)
- III) The CDM PoA will contribute to the sustainable development of Haiti.

As authorized representative of the DNA for the Republic of Haiti under the Kyoto Protocol, I further authorize the participation of D&E Green Enterprises as a project participant and Coordinating and Managing Entity in the CDM PoA. Therefore I request the CDM Executive Board to issue and allocate CERs for any verified greenhouse gas reductions resulted in from the Project based on the method directed by the Project Participants.

Sincerely,

Dr Jean François **THOMAS**
Minister
