Dear Sir/Madam

RE: Letter of Approval (LoA) for the Southern African Renewable Energy (SARE) Programme

We hereby refer to the DNA's Letter of Approval application for the **Southern African Renewable Energy (SARE)** programme submitted by EcoMetrix Africa. The Designated National Authority (DNA) of Namibia under the Ministry of Environment and Tourism confirms receipt of all the relevant documentation regarding the Letter of Approval requesting for the **Southern African Renewable Energy (SARE)** programme in line with the UNFCCC guidelines.

The DNA hereby issues this letter of approval and would like to confirm that:

1. The Government of Namibia ratified the Kyoto Protocol on 4 September 2003.
2. Participation in the proposed PoA is voluntary.
3. The **Southern African Renewable Energy (SARE)** programme contributes to the sustainable development of Namibia.

4. K2011/117952/07 (Pty) Ltd (South Africa) trading as African Sustainability Initiative (ASI) (a subsidiary of EcoMetrix Africa and a registered South African company) is the Coordinating and Managing Entity.
5. The DNA-Namibia or the Ministry of Environment and Tourism does not take responsibility of any loss or dispute that may occur during CDM project cycle.

Yours faithfully,

Name: MR TEOFILUS NGHITILA

Position: ENVIRONMENTAL COMMISSIONER
