Attention: Mr. Geoff Sinclair

DESIGNATED NATIONAL AUTHORITY (DNA) FOR THE CLEAN DEVELOPMENT MECHANISM (CDM): LETTER OF APPROVAL FOR BIOMASS RESIDUES POWER GENERATION PROGRAMME.

We refer to the application for the DNA's Letter of Approval for Biomass Residues Power Generation Programme (herein referred to as the Programme of Activities) submitted by Additional Energy Limited (Coordinating/Managing Entity for the programme of Activities) and Tongaat Hulett Ltd.

The Republic of South Africa has ratified the United Nations Framework Convention on Climate Change and is a signatory to the Kyoto Protocol and complies with its obligations under these international instruments.

The DNA is the authorised body in South Africa to issue Letters of Approval for CDM projects. South Africa participates voluntarily in the CDM and in the Project.

Based exclusively on the information contained in the Project Design Document and subject to the conditions set out herein;

We confirm that:

- a. the Programme of Activities is located in South Africa;
- b. the boundary for the first CDM Project Activity (CPA) will be Amatikulu Sugar Mill, Umlazi municipality; KwaZulu-Natal Province and will be developed by Tongaat Hulett Ltd; and
- c. the Project supports sustainable development.

We authorise:

- a. the participation of Biomass Residues Power Generation Programme , as a CDM Project;
- b. Additional Energy Limited, as the project proponent and coordinating/managing entity and Tongaat Hulett LTD to participate in the CDM Project; and
- c. Additional Energy Limited and Tongaat Hulett Ltd, if they are the legal owner of the Project, to sell the title and all rights to the greenhouse gas emission reductions generated by this Project.

This Letter of Approval is subject to the following conditions:

- a. Additional Energy Limited and Tongaat Hulett Ltd warrant to the DNA that they are the legal owner of the Project. The DNA does not take any responsibility for the private contractual arrangements and property rights between or among project participants. The DNA may not be held liable in the event that ownership of the Project is disputed;
- b. the Project must be developed in accordance with the Project Design Document received by the DNA;
- c. the Project must obtain all relevant authorisations as required by national laws; and
- d. the DNA retains the right to withdraw the authorisation granted in terms of the Letter of Approval in the event of non-compliance with the Project Design Document.

We will, to the extent possible, cooperate with Additional Energy Limited and Tongaat Hulett Ltd and the CDM Executive Board to facilitate the CDM project cycle. The granting of this Letter of Approval does not guarantee the registration of the Project as a CDM project by the CDM Executive Board.

By their acceptance of this Letter of Approval, Additional Energy Limited and Tongaat Hulett Ltd indemnifies the DNA against any loss that Additional Energy Limited and Tongaat Hulett Ltd may suffer as a result of project implementation.

Yours Sincerely,

MR T ZULU
