LETTER OF APPROVAL N°.....0088...../LoA/MINEPDED/SG/PCN-MDP/SCN-MDP

Yaoundé the 04 DEC 2015.....

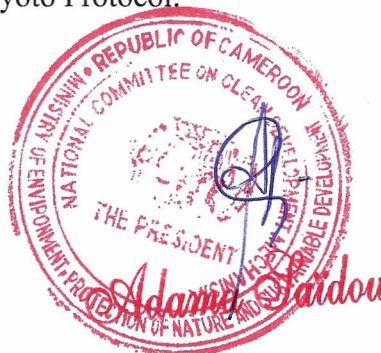

The National Committee on the Clean Development Mechanism (NC-CDM), acting as the Designated National Authority (DNA), met on the 23rd October 2015 and deliberated on the project "Renewable Energy Rural Electrification (RERE) Programme" submitted by African Growth and Energy Solutions trading as Solar Era,

And have the honour to inform the CDM Executive Board that:

- The Republic of Cameroon ratified the UNFCCC in October 1994 and adhered to the Kyoto Protocol in July 2003;
- The Republic of Cameroon participates in the CDM on a voluntary basis, as well as projects developed within the framework of CDM;
- The project will contribute to sustainable development in the Republic of Cameroon
- The DNA will collaborate with AGES Trading as Solar Era and the Executive Board of CDM to facilitate its procedures and to assist whenever need be in the issuance and transfer of Certified Emission Reductions (CER).
- The DNA authorizes AGES trading as Solar Era, to implement the CDM project "Renewable Energy Rural Electrification (RERE) Programme", in Cameroon. The project is developed under article 12 of the Kyoto Protocol and the United Nations Framework Convention on Climate Change (UNFCCC).

As authorised representative of the DNA of the Republic of Cameroon under the Kyoto Protocol, I hereby authorise the participation of AGES trading as Solar Era, as project proponent and Coordinating/Managing Entity (CME) for this programme and request the CDM Executive Board to issue and allocate Certified Emission Reductions (CER) for quantified and verified efforts of the project under CDM methodologies to AGES trading as SOLAR ERA.

On behalf of the National Committee on Clean Development Mechanism, we hereby issue a letter of Approval for the Project "Renewable Energy Rural Electrification (RERE) Programme" as a CDM project in accordance with Article 12 of the Kyoto Protocol.

### RE: Letter of Approval of Voluntary Participation in a Clean Development Mechanism Project

With reference to your request for a letter of approval for your project titled "Renewable Energy Rural Electrification (RERE) Programme" dated 16 October 2015, for its implementation in Cameroon,

I have the honour to inform you that after the evaluation of your Project design Document (PDD) by the National Committee on Clean Development Mechanism, acting as the Designated National Authority of the Kyoto Protocol in Cameroon has found no objection to your PDD. Moreover, the DNA hereby confirms that:

- The Republic of Cameroon ratified the UNFCCC in October 1994 and adhered to the Kyoto Protocol in July 2003;
- The Republic of Cameroon participates in the CDM on a voluntary basis, as well as projects developed within the framework of CDM;
- The project will contribute to sustainable development in the Republic of Cameroon;
- The DNA will collaborate with AGES Trading as Solar Era and the Executive Board of CDM to facilitate its procedures and to assist whenever need be in the issuance and transfer of Certified Emission Reductions (CER);
- The DNA authorizes AGES trading as Solar Era, to implement the CDM project "Renewable Energy Rural Electrification (RERE) Programme", in Cameroon. The project is developed under Article 12 of the Kyoto Protocol and the United Nations Framework Convention on Climate Change (UNFCCC).

As authorized representative of the DNA of the Republic of Cameroon under the Kyoto Protocol, I hereby authorize the participation of AGES trading as Solar Era, as Project Proponent and Coordinating/Managing Entity (CME) for this programme and request the CDM Executive Board to issue and allocate Certified Emission Reductions (CERs) for quantified and verified efforts of the project under CDM methodologies to AGES trading as Solar ERA.

AGES will however have to comply with Cameroon's environmental regulations as appropriate.
