**HOST COUNTRY APPROVAL OF PoA "LANDFILL GAS CAPTURE, FLARING AND
UTILIZATION PROGRAM IN AFRICA"**

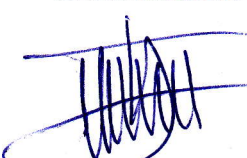

I have the pleasure to inform you that the National Designated Authority of Ghana, after evaluating the documents related to the Programme of Activities, approved the above mentioned project.

Further the DNA confirms:

- i The Government of Ghana acceded to the Kyoto protocol to the UNFCCC in March 2003
- ii The Government of Ghana is voluntarily participating in this project
- iii The proposed Programme of Activities (PoA) contributes to Sustainable Development in Ghana

As authorized representative of the DNA of Ghana, I authorize the participation of Puresphere Ghana Limited as project Participants as well as Coordinating /Managing Entity to coordinate the "Landfill Gas Capture, Flaring and Utilization Program in Africa" and issue the letter of approval of voluntary participation in support of the proposed PoA.

It is noted that the above project participant will complete an Environmental Impact Assessment in accordance with Environmental Assessment Regulations, 1999 (LI 1652) of the Environmental Protection Agency before implementation of the project.
