The Chef Executive Officer
Low E Solutions (Pty) Ltd
PO Box 1903
Sunninghill
Johannesburg
South Africa

Attention: Mr Deven Pillay

Dear Sir,

**Letter of Approval for Standard Bank Energy Efficiency Commercial
Lighting Programme of Activities**

Reference is made to your earlier submission of Programme of Activities Design Document (PoA –DD) for Standard Bank Energy Efficiency Commercial Lighting Programme of Activities submitted by Standard Bank Plc on the 17th February 2012 and your request to transfer the Coordinating Monitoring Entity to Low-E Solution (Pty) Ltd. I declare the following:

1. That the Department of Meteorological Services is the authorized Designated National Authority (DNA) in Botswana in accordance with Section 4 (q) of the National Meteorological Services Act, 2014;
2. That the Republic of Botswana is participating voluntarily in the proposed Clean Development Mechanism (CDM) activity;
3. That the Republic of Botswana ratified the Kyoto Protocol in 8th August 2003;
4. That the project on the basis of the PoA-DD, generic CDM Project Activity Design Document (CPA-DD) and other submitted documents, contributes to achieving the sustainable development objectives of the Republic of Botswana; and
5. That Project boundary within the Republic of Botswana will be specified during the development of Botswana's CPA.

According to the information provided in the PoA-DD, and other documents I authorize:

1. The participation of Low E Solutions (Pty) Ltd and Standard Bank plc as Project Participants in the Project; and
2. Low E Solutions (Pty) Ltd as the Coordinating and Managing Entity (CME) of the PoA above.

This Letter of Approval is subject to the terms and conditions listed below. Failure to comply with any of the conditions warrants the DNA the right to withdraw this Letter of Approval:

1. All CDM project activities of the abovementioned project shall comply with the methodologies outlined in the submitted POA-DD, generic CPA-DD and other submitted documents;
2. Throughout its implementation in the Republic of Botswana the CDM Project Activity (CPA) shall comply with the Laws of the Republic of Botswana which means the present laws and any amendments thereto passed during the validity of this Letter of Approval;
3. The CPA implemented within the boundaries of the Republic of Botswana shall be carried out in partnership with a local company/partner to ensure sustainable development;
4. The CME should inform the DNA office of any inclusion of CPA's under the above project taking place within the Republic of Botswana; and
5. The DNA is not liable for any loss incurred as the project is developed and implemented, nor is it liable for any matters and disputes arising from the distribution of Certified Emission Reductions (CERs) among the project participants.

This letter supersedes and nullifies our earlier approval with reference MET/WMO/RDD/3066/7C V (7) dated 4th June 2012.

Yours faithfully,

T. L. Botshoma
Designated National Authority Focal Point
Director, Department of Meteorological Service

Our Vision: *A model of efficient, professional, scientific and technical leadership in the provision of quality weather and climate data and information*

ATTN: Mr. Geoff Sinclair

Dear Sir,

Letter of Approval for Standard Bank Energy Efficiency Commercial Lighting Programme of Activities

After reviewing the Programme of Activities Design Document (PoA-DD) for Standard Bank Energy Efficiency Commercial Lighting Programme of Activities submitted by Standard Bank Plc on the 17th February 2012, I declare the following:

1. that the Department of Meteorological Services is the authorised Designated National Authority (DNA) in Botswana in accordance with Section 4 (q) of the National Meteorological Services Act, 2009;
2. that the Republic of Botswana is participating voluntarily in the proposed Clean Development Mechanism (CDM) activity;
3. that the Republic of Botswana ratified the Kyoto Protocol on the 8th August 2003;
4. that the project on the basis of the PoA-DD, generic CDM Project Activity Design Document (CPA-DD) and other submitted documents, contributes to achieving the sustainable development objectives of the Republic of Botswana; and

5. that Project boundary within the Republic of Botswana will be specified during the development of Botswana's CPA.

According to the information provided in the PoA-DD, and other documents, I authorise:

1. the participation of Standard Bank Plc as the Project Participant in the Project and Stanbic Bank Botswana Limited as the Project Implementer for the first CPA in Botswana; and
2. Standard Bank Plc as the Coordinating and Managing Entity (CME) of the PoA above.

This Letter of Approval is subject to the terms and conditions listed below. Failure to comply with any of the conditions warrants the DNA the right to withdraw this Letter of Approval:

1. all CDM project activities of the abovementioned project shall comply with the methodologies outlined in the submitted PoA-DD, generic CPA-DD and other submitted documents;
2. throughout its implementation in the Republic of Botswana the CDM Project Activity (CPA) shall comply with the Laws of the Republic of Botswana which means the present laws and any amendments thereto passed during the validity of this Letter of Approval;
3. the CPA implemented within the boundaries of the Republic of Botswana shall be carried out in partnership with a local company/partner to ensure sustainable development;
4. the CME should inform the DNA office of any inclusion of CPA's under the above project taking place within the Republic of Botswana; and
5. the DNA is not liable for any loss incurred as the project is developed and implemented, nor is it liable for any matters and disputes arising from the distribution of Certified Emission Reductions (CERs) among the project participants.

Yours faithfully,

T. L. Botshoma
Interim Designated National Authority Focal Point
Department of Meteorological Service
