Written approval of voluntary participation

The Norwegian ministry of Climate and Environment has informed us that they are a project participant in the following Clean Development Mechanism (CDM) program of activities:

- Tandavanala TsinjoHarena Improved cookstoves in Madagascar

The Norwegian Environment Agency, being the Norwegian Designated National Authority (DNA) under the CDM, hereby declares that:

- (i) Norway ratified the Kyoto Protocol on 30th May 2002;
- (ii) Norway participates voluntarily in the Clean Development Mechanism;

This written approval constitutes authorisation, according to the CDM modalities and procedures, of The Norwegian Ministry of Climate and Environments participation in the above-mentioned CDM program of activities.

In providing this written approval, Norway's DNA has not considered those matters that fall within the competence of:

1. The Host Party for the CDM programme of activities;
2. the Designated Operational Entity contracted by the CDM programme of activities;
3. the CDM Executive Board.

Signed on behalf of Norway's Designated National Authority for the CDM,

Best regards,

Norwegian Environment Agency

Audun Rosland

Director of the Climate Department
