(Attention: Mr. Asrulnizam Alias)

Dear Sir,

**Host Country's Letter of Approval for Malaysia Biogas Projects**

~~~~~

As the Designated National Authority (DNA) for the implementation of Clean Development Mechanism (CDM) in Malaysia, I am pleased to inform that your project proposal for Malaysia Biogas Projects as defined in the Programme of Activities Design Document is found to be in compliance with the national criteria for the CDM activities. The DNA reserves the right to review and/or amend the national criteria as necessary to achieve national sustainable development goals.

2. I hereby confirm that:

- (i) Malaysia has ratified the United Nations Framework Convention on Climate Change on 13th July 1994 and Kyoto Protocol on 4th September 2002; and
- (ii) Malaysia participates voluntarily in this proposed CDM activity.

3. GenPower Carbon Solutions Services (Malaysia) Sdn Bhd is hereby authorize as the Coordinating/Managing Entity of the above Programme of Activities.

4. In this regard, your project can now be submitted to the CDM Executive Board for registration as a CDM project activity.

5. As Malaysia does not support unilateral CDM projects, this approval is considered void if this project is found to be a unilateral project by the CDM Executive Board.

6. This approval is valid if it is submitted to the Executive Board for registration within 1 year from the date of this letter and is independent of the time taken by the Executive Board to register the project.

7. You are required to submit a written report to the DNA on the stages and progress of the project implementation at least twice a year.

Thank you.

Yours sincerely,

(DR. LIAN KOK FEI)

Environmental Management and Climate Change Division
For Secretary General
