RE: LETTER OF AUTHORIZATION TO ADDITIONAL ENERGY AS NEW COORDINATING AND MANAGING ENTITY FOR INSTALLATION OF ENERGY EFFICIENT TRANSFORMERS PROGRAMME OF ACTIVITIES (PROJECT NUMBER 9164)

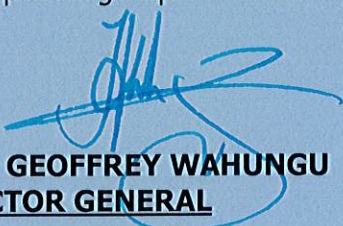

Your letter dated 11th May 2015 sent via email requesting for authorization of Additional Energy Limited as Coordinating and Managing Entity (CME) for the above referred Programme of Activities herein refers.

As the Designated National Authority of Kenya for the Clean Development Mechanism (DNA for CDM), we wish to confirm that we have reviewed the request for transfer of CME and note that it has been necessitated by the change of business focus from CDM origination following the acquisition of Standard Bank by ICBC. We further note that you intend to transfer the CME function to Additional Energy Limited which is a registered Company in the United Kingdom number 9508808 and that its registered address is 34B York Way London n1 9AB, United Kingdom.

As the Kenyan Designated National Authority for CDM, we have no objection to this transfer and therefore authorize Additional Energy Limited as the CME for Installation of Energy Efficient Transfer Programme of Activities (project number 9164). The official contact details for Additional Energy Limited shall be:

Geoff Sinclair
Director
Additional Energy Limited
34B York Way, London N1 9AB
UNITED KINGDOM

It should however be noted that this POA must comply with all the required Kenya regulatory and/or planning requirements throughout all the phases of implementation.

RE: LETTER OF APPROVAL – INSTALLATION OF ENERGY EFFICIENT TRANSFORMERS (IEET)

We wish to refer to your request for host country approval for the above referred Program of Activities (POA). We note that the POA has the objective of installing high energy efficient transformers across national electricity distribution grids. We further note that this may involve adoption of energy efficient transformers in replacement of the inefficient and faulty baseline transformers.

As the Designated National Authority of Kenya for the Clean Development Mechanism, we wish to confirm that we have reviewed the above-referred POA-Design Document. We further wish to confirm that:-

- The Program is approved as a CDM POA for the purposes of Article 12 of the Kyoto Protocol
- The Government of Kenya is Party to the Kyoto Protocol and that participation in CDM project activities is voluntary
- The POA will contribute to Kenya's sustainable development
- Standard Bank Plc is the Coordinating/Managing Entity (CME) of the POA while KPLC is in charge of the CPA in Kenya

We wish to note and confirm that this POA, amongst other issues, will contribute to the overall realization of Kenya Vision 2030 and sustainable development. It is however to be noted that the POA must comply with all the required Kenya national regulatory and /or planning requirements throughout all the phases of implementation in Kenya.
