**LETTER N° 61 -2012-DGCCDRH/DVMDERN/MINAM**

Mr.

**Pablo Manuel Ferradas Luna**

Power of Attorney

Energía Limpia S.A.C.

Dear Mr. Ferradas:

On behalf of the Designated National Authority of Peru for the Kyoto Protocol, I am pleased to inform you our positive opinion for the Program of Activities submitted under File N° 01604-2012, on January 01<sup>st</sup> 2012: *"Inti Renewable Energy Program of Activities"*, in order to continue the project cycle approval for the Clean Development Mechanism of the Kyoto Protocol. It has been verified that the program contributes to national sustainable development and harmonizes with Peru's national environmental policy.

Through this letter of approval, the transfer of certified emission reductions by the requesting company to the correspondent Annex B Party of the Kyoto Protocol as a result of the voluntary CDM project activities, is voluntarily accepted and authorized. In this regard, *"Energía Limpia S.A.C."* is recognized as a coordinating/managing entity for the *"Inti Renewable Energy Program of Activities"*.

This document should be used with no other purposes that to be submitted as part of the prerequisite for registration with the Clean Development Mechanism Executive Board of the Kyoto Protocol, that was ratified by the Peruvian Government in Congressional Resolution N° 27824 (2002).

This letter of approval will not be valid if the project presented by designated operational entity is not validated by the Executive Board of the Clean Development Mechanism.

Sincerely yours,

**Eduardo Durand López-Hurtado**

General Director

Department of Climate Change,

Desertification and Water Resources.

Ministry of Environment.
