Letter N° 48 -2011-DGCCDRH/DVMDERN/MINAM

Mr.
Celestino San Román Rodríguez
Legal Representative
REPSOL YPF Comercial del Perú S.A.

Dear Mr. San Roman:

By means of this document we inform our positive opinion for the project submitted under File N° 000612-2011, on January 10th 2011: "*Programme of activities to switch from residual fuel oil to LPG in manufacturing industries in Peru*" in order to continue the project cycle approval for the Clean Development Mechanism of the Kyoto Protocol. It has been verified that the project contributes to national sustainable development and harmonizes with Peru's national environmental policy.

Furthermore, the applicant company, REPSOL YPF Comercial del Peru S.A. is recognized as the coordinating entity for the Program of Activities

Through this letter of approval, the transfer of certified emission reductions by the requesting company to the correspondent Annex B Party of the Kyoto Protocol as a result of the voluntary CDM project activities, is voluntarily accepted and authorized,

This document should be used with no other purposes that to be submitted as part of the prerequisite for registration with the Clean Development Mechanism Executive Board of the Kyoto Protocol, that was ratified by the Peruvian Government in Congressional Resolution N° 27824 (2002).

A copy of this letter is sent to the Executive Board in English and Spanish, acting as the Designated National Authority of Peru for the Kyoto Protocol, as stated in Supreme Decree 095-2002-PCM.

This letter of approval will not be valid if the project presented by designated operational entity is not validated by the Executive Board of the Clean Development Mechanism.

Sincerely yours,

EDUARDO DURAND LÓPEZ-HURTADO
