**RE: Revised Letter of Approval of Voluntary Participation in the Clean Development Mechanism Project**

The Republic of Rwanda acting through its Environment Management Authority (REMA), being the Designated National Authority (DNA) for Clean Development Mechanism (CDM), hereby confirms that:

1. The Republic of Rwanda ratified the Kyoto Protocol on 22<sup>nd</sup> of July 2004;
2. The Republic of Rwanda participates in the CDM on a voluntary basis;
3. The Republic of Rwanda authorizes "Standard Bank Plc", as a project proponent and coordinating/managing entity for the "East Africa Renewable Energy Programme (EA-REP)" developed under Article 12 of the Kyoto Protocol and United Nations Framework Convention for Climate Change (UNFCCC);
4. The project will contribute to sustainable development in Rwanda;
5. The estimated emission reductions are subject to correction.

As authorized representative of the DNA for the Republic of Rwanda under Kyoto Protocol, I authorize the participation of Standard Bank Plc as the project proponent and coordinating/managing entity of the above mentioned programme of activities, and require the CDM Executive Board to issue and allocate Certified Emission Reductions (CERs) for the qualified and verified efforts of the project under CDM methodologies to Standard Bank Plc.

On behalf of the Designated National Authority for CDM in the Republic of Rwanda.

Note: This Letter replaces the letter N° 0886/DNA/2011 of 2<sup>nd</sup> August 2011, issued to REFAD Group Rwanda.
