Trosviksodden 8, Vettre, Norway

Dear Mr. Norstebo

APPROVAL FOR THE PROGRAMME OF ACTIVITIES (POA) "POA FOR THE REDUCTION OF EMISSION FROM NON-RENEWABLE FUEL FROM COOKING AT HOUSEHOLD LEVEL"

We hereby refer to the DNA's Letter of Approval application for the above mentioned program. The Designated National Authority (DNA) of Namibia under the Ministry of Environment and Tourism confirms receipt of all the relevant documentation regarding the Letter of Approval in line with the UNFCCC guidelines.

The DNA hereby issues this letter of approval and would like to confirm that:

1. The Government of Namibia ratified the Kyoto Protocol on 4 September 2003.
2. Participation in the proposed PoA is voluntary.
3. The Program of Activities for the 'Reduction of Emissions from non-renewable fuels at the household level contributes to the sustainable development of Namibia.
4. Green Development is the Coordinating and Managing Entity.
5. The DNA-Namibia or the Ministry of Environment and Tourism does not take responsibility of any loss or dispute that may occur during CDM project cycle.

Yours Sincerely

Mr. Teofilus Nghitila
