Written approval of voluntary participation

Nordic Environment Finance Corporation has informed us that they are a project participant in the following Clean Development Mechanism (CDM) project:

- Project for the catalytic reduction of N2O emissions with a secondary catalyst inside the ammonia reactor of the No. 9 nitric acid plant at African Explosives Ltd ("AEL"), South Africa (CDM ref#1171)

The Norwegian Environment Agency, being the Norwegian Designated National Authority (DNA) under the CDM, hereby declares that:

- (i) Norway ratified the Kyoto Protocol on 30th May 2002;
- (ii) Norway participates voluntarily in the Clean Development Mechanism;

This written approval constitutes authorisation, according to the CDM modalities and procedures, of the Nordic Environment Finance Corporations participation in the above-mentioned CDM project.

In providing this written approval, Norway's DNA has not considered those matters that fall within the competence of:

1. The Host Party for the CDM project;
2. the Designated Operational Entity contracted by the CDM project;
3. the CDM Executive Board.

Signed on behalf of Norway's Designated National Authority for the CDM,

Best regards,
Norwegian Environment Agency
