**Company issued to:** CarbonSinkGroup S.r.l  
**Project issued for:** Domestic Cooking  
Stoves substitution programme in  
Mozambique

***Object: Article 12 of the Kyoto Protocol to the United Nations Framework Convention on Climate Change - Written Approval of voluntary participation from the Italian Designated National Authority for a Programme of Activities (POA) "Domestic Cooking Stoves substitution programme in Mozambique"***

CarbonSinkGroup S.r.l. has confirmed that they are a project participant in a proposed Clean Development Mechanism (CDM) POA project entitled "Domestic Cooking Stoves substitution programme in Mozambique" and has requested written approval of the Italian voluntary participation in the CDM from the Italian Designated National Authority (DNA) in order to submit this project to the CDM Executive Board for registration.

CarbonSinkGroup S.r.l. has provided us with the Letter of Approval by the Host Party's DNA, the Project Designed Document and the Validation Report from the Designated Operational Entity, Det Norske Veritas Certification AS (DNV).

The Italian Ministry for the Environment Land and Sea, Department for Sustainable Development Climate Change and Energy, acting as the Italian DNA, hereby declares that:

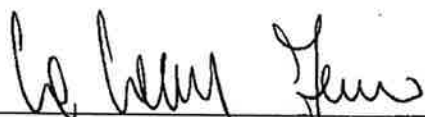

- (i) Italy ratified the Kyoto Protocol on May, 31, 2002;
- (ii) Italy participates voluntarily in the CDM;
- (iii) to the extent that what is mentioned in paragraphs 1 and 2 may constitute authorisation of CarbonSinkGroup S.r.l.'s participation in the above named CDM Programme of Activities, and to the extent that such authorisation is required, this letter may be taken to constitute that authorisation.

In granting authorisation, the Italian DNA has not considered those matters that fall within the competence of:

- Republic of Mozambique acting as Host Party in respect of this project;
- ~~Det Norske Veritas Certification AS (DNV) appointed by the project participants as~~  
Designated Operational Entity in respect of this project; or
- the CDM Executive Board.
