

**Mission
interministérielle
de l'effet de serre**

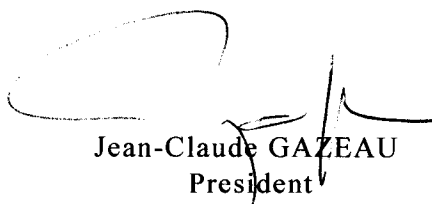

Date: **26 DEC. 2007**

**Authorization to take part as project participant in projects implemented
under article 12 of the Kyoto Protocol**

**MIES Ref.: LAU 2007-018 (ENG) _ Eco-Carbone - China – Reforestation_Pearl River Basin -
CDM EB registration Nr: 0547**

In accordance with paragraphs 33 and 40 (a) of the CDM Modalities and Procedures and acting under the Minister of Ecology, Sustainable Development and Town and Country Planning's authority, the Mission Interministérielle de l'Effet de Serre (MIES - Interministerial Task Force for Climate Change), France's Designated National Authority, declares that:

1. France has ratified the Kyoto Protocol on May 31, 2002;
2. France participates in the CDM voluntarily;
3. It authorizes Eco-Carbone, 15, avenue de Ségur, 75007 Paris, France, to take part as project participant in the above mentioned project implemented in China under article 12 of the Kyoto Protocol, and already registered by the Executive Board of the CDM.
