Subject: Information to NCDMA (India) regarding the consideration of Clean Development Mechanism (CDM) benefits for the project

Dear Sir,

My Firm "ALLGROW VENTURES." is in process of developing a 1.5 MW Suzlon make (Model S-82) WTG at Site: Sinner (Location AD09), Village: Adwadi, Taluka: Sinner, District: Nashik (State: Maharashtra). The Proprietor has already taken a decision for the same

As per Annexure - 46 of EB - 41 we hereby communicate to National CDM Authority (Ministry of Environment and Forest for India) that CDM benefits have been seriously considered at the time of assessing the techno economical feasibility of the project.

We request you to consider this letter as an official communication from M/s. ALLGROW VENTURES for the purpose of CDM consideration and add to your records for further communication with CDM Executive Board as well as DOE's during CDM process.

Thanking You

For, Allgrow Ventures
