Written approval of voluntary participation

The Ministry of Climate and Environment has informed us that they are a project participant in the following Clean Development Mechanism (CDM) project:

- Fatima N2O Abatement Project (CDM ref# 5461)

The Norwegian Environment Agency, being the Norwegian Designated National Authority (DNA) under the CDM, hereby declares that:

- (i) Norway ratified the Kyoto Protocol on 30th May 2002;
- (ii) Norway participates voluntarily in the Clean Development Mechanism;

This written approval constitutes authorisation, according to the CDM modalities and procedures, of the Ministry of Climate and Environment's participation in the above-mentioned CDM project.

In providing this written approval, Norway's DNA has not considered those matters that fall within the competence of:

1. The Host Party for the CDM project;
2. the Designated Operational Entity contracted by the CDM project;
3. the CDM Executive Board.

Signed on behalf of Norway's Designated National Authority for the CDM,

Best regards,
Norwegian Environment Agency

Audun Rosland
Director of the Climate Department

Tone S. Pettersen
Acting Head of Section for Emission Trading
