Date of Issue: 5 March 2008  
Company issued to: MGM Carbon Portfolio S.a.r.l.  
Project issued for: Cristalino Small Hydroelectric Power Plant

**ARTICLE 12 KYOTO PROTOCOL TO THE UNITED NATIONS FRAMEWORK  
CONVENTION ON CLIMATE CHANGE  
WRITTEN APPROVAL OF VOLUNTARY PARTICIPATION FROM UK DNA**

MGM Carbon Portfolio S.a.r.l. has confirmed that they are a project participant in a proposed Clean Development Mechanism (CDM) project entitled "Cristalino Small Hydroelectric Power Plant" and has requested written approval of the UK's voluntary participation in the CDM from the UK's Designated National Authority in order to submit this project to the CDM Executive Board for registration.

MGM Carbon Portfolio S.a.r.l. has provided us with the attached record of the host Party's confirmation that the project activity assists it in achieving sustainable development and has confirmed that it has submitted all required documents and information to the Designated Operational Entity.

The Secretary of State for Environment, Food and Rural Affairs acting as the UK's DNA confirms that:

1. the United Kingdom ratified the Kyoto Protocol on 31<sup>st</sup> May 2002;
2. the UK participates voluntarily in the CDM;
3. to the extent that what is mentioned in paragraphs 1 and 2 may constitute authorisation of MGM Carbon Portfolio S.a.r.l.'s participation in the above named CDM project activity, and to the extent that such authorisation is required, this letter may be taken to constitute that authorisation.

In granting authorisation, the UK's DNA has not considered those matters that fall within the competence of:

- Brazil acting as Host Party in respect of this project;
- SGS, appointed by the project participants as Designated Operational Entity in respect of this project; or
- the CDM Executive Board.

The UK does not intend to issue instructions in respect of, or to participate in the request for issuance of Certified Emission Reductions (CERs).

Signed on behalf of the Secretary of State:

A handwritten signature in black ink, appearing to read 'Chris Dodwell', with a stylized flourish at the end.

Chris Dodwell,

Head of International Climate Change Division
