Subject: Letter of Approval of Voluntary Participation in a Clean Development Mechanism Project

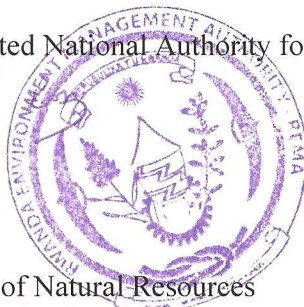

The Republic of Rwanda acting through the Rwanda Environment Management Authority (REMA), being the Designated National Authority (DNA) for the Clean Development Mechanism (CDM), hereby confirms that:

- (i) The Republic of Rwanda has ratified the Kyoto Protocol on 22 July, 2004.
- (ii) The Republic of Rwanda participates in the CDM on a voluntary basis;
- (iii) The Republic of Rwanda authorizes Electrogaz, the national public utility in charge of production, transport and distribution of water and electricity, as a project proponent in the "Rwanda Electrogaz Compact Fluorescent Lamp (CFL) Distribution Project" in Rwanda, developed under Article 12 of the Kyoto Protocol of the United Nations Framework Convention for Climate Change;
- (iv) The Project will contribute to the sustainable development in Rwanda.

As authorized representative of the Designated National Authority (DNA) for the Republic of Rwanda under the Kyoto Protocol, I authorize the participation of Electrogaz, as project proponent and request the CDM Executive Board to issue and allocate Certified Emission Reductions (CERs) for the qualified and verified efforts of the Project under CDM methodologies to Electrogaz.

On behalf of the Designated National Authority for CDM in the Republic of Rwanda,

**Dr. Rose Mukankomeje
Director General**
