To.
The Secretary of UNFCCC.

Subject: Information to UNFCCC regarding the consideration of Clean
Development Mechanism (CDM) benefits for the project

Respected Sir/ Madam,

My Firm "ALLGROW VENTURES" is in process of developing a 1.5 MW Suzlon make
(Model S-82) WTG at Site: Sinner (Location AD09), Village: Adwadi, Taluka:
Sinner, District: Nashik (State: Maharashtra, Country: India). The

4/3/2009

Proprietor has already taken a decision for the same
2009. During the techno-economical feasibility study of the project it
found that project is facing certain barriers, which can affect the
implementation decision on the project and CDM benefit, can definitely make
the project viable.

As per Annexure 46 of EB-41 we hereby communicate to UNFCCC that CDM
benefits have been seriously considered at the time of assessing the techno-
economical feasibility of the project.

We also have sent a similar intimation to the Indian National CDM
Authority. Please find attached a scanned copy of the same.

We request you to consider this letter as an official communication from
M/s. ALLGROW VENTURES for the purpose of CDM consideration and add to your
records for further communication to DOE's during CDM process.

Thanking You

For, ALLGROW VENTURES

Giselle D Mehta
Proprietor
