Re: Host Country Approval to "Clinker optimization in cement types production at Derba MIDROC cement plant"

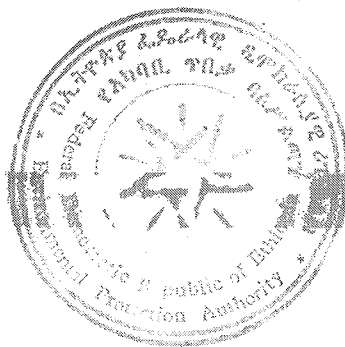

Reference is made to the above captioned subject and to your letter requesting correction to the commercial name of your company to match your PDD posted on GSP through reissuance of the previous letter of host country Approval/Authorization. Therefore, this letter replaces the previous LOA issued with reference number 5/5.4/315, dated November 26, 2009.

The Designated National Authority of the Federal Democratic Republic of Ethiopia has thoroughly assessed the PDD in line with the national Sustainable Development Criteria and other relevant laws and would like to confirm that:

(i) The Federal Democratic Republic of Ethiopia has ratified the Kyoto Protocol in February 2005.

(ii) This project is in line with the national development objective of Ethiopia and thus its implementation will contribute to the sustainable development of the country.

(iii) This is approval of the voluntary participation in the proposed CDM project.

Sincerely yours,

*[Signature]*  
Dessalegne Mesfin

**Re: Host Country Approval to "Clinker optimization in cement types production at Derba MIDROC cement plant"**

Reference is made to the above captioned subject and to your letter requesting host country approval of the Project Design Document (PDD) on Clinker optimization in cement types production at Derba MIDROC cement plant.

The Designated National Authority of Ethiopia, after thoroughly assessed the PDD in line with the national Sustainable Development Criteria and other relevant laws, would like to confirm that:

- (i) The Federal Democratic Republic of Ethiopia has ratified the Kyoto Protocol in February 2005.
- (ii) This project is in line with the national development objective of Ethiopia and thus its implementation will contribute to the sustainable development of the country.
- (iii) This is approval of the voluntary participation in the proposed CDM project.

Sincerely yours,
