

通道电力公司关于新开发小水电上网价格的

函

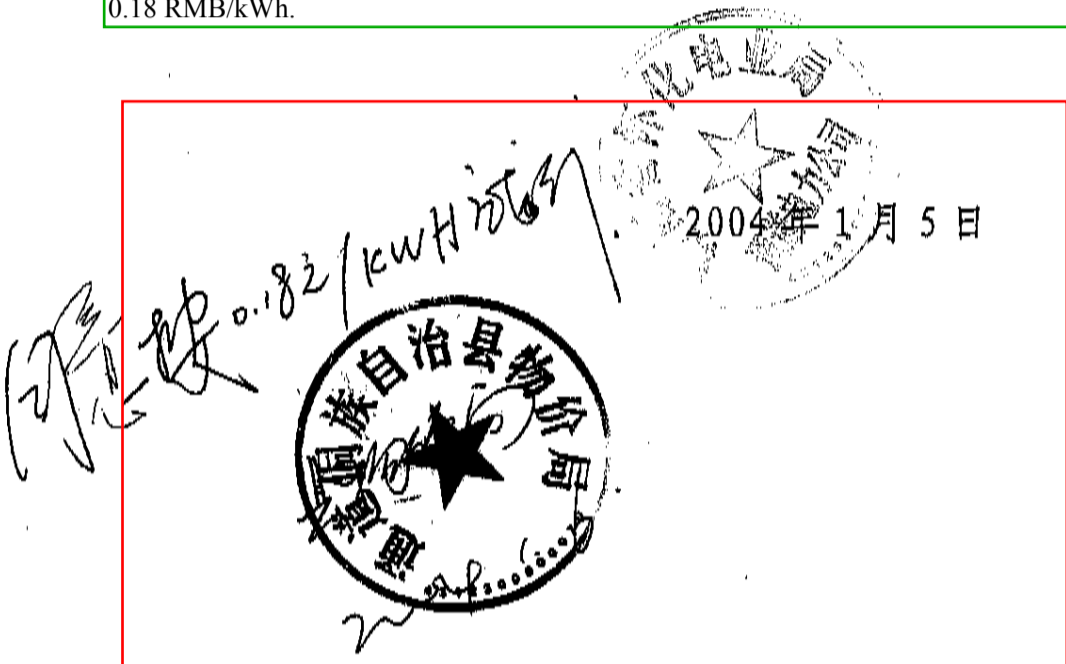

Notification on tariff of newly operated small hydropower projects in Tongdao County issued by Tongdao County Power Company and approved by Price Bureau of Tongdao County

县物价局:

随着我县开发小水电的兴起，一座座新建的小水电站相继竣工投运，根据通政发[2004]5号通道侗族自治县人民政府“关于印发《通道侗族自治县小电开发建设管理暂行规定》的通知”，从2003年起，新建电站上网电价不分丰枯，原则上按不低于0.18元/KWH执行，更不得低于县以上物价主管部门确定的上网电价的精神，现投运电站上网电价均按0.18元/KWH执行。

新建电站上网电价，已与各投运电站达成共识，特此函达，务希研究见复。

Average tariff of the newly operated hydropower projects since 2002 was set to be above 0.18 RMB/kWh and the tariff for the existing hydropower projects was set to be 0.18 RMB/kWh.

Seal of Tongdao Power Company and Price Bureau of Tong County
Issuance date:05/01/2004
