

**GOVERNMENT OF PAKISTAN
MINISTRY OF ENVIRONMENT**

4th Floor, Local Government Building,
Sector G-5/2, Islamabad, PAKISTAN

**Director General
(Environment)**

Islamabad, the 10th June 2009

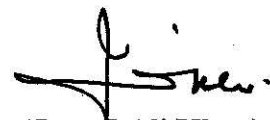

Subject: Grant of Host Country Approval to CDM Project Titled "Waste Heat Recovery and Utilization for Power Generation at Cherat Cement Company Limited, Nowshera, Pakistan"

This is to inform you that the Clean Development Mechanism (CDM), Project Design Document (PDD) for "*Waste Heat Recovery and Utilization for Power Generation at Cherat Cement Company Limited, Nowshera, Pakistan*", of Cherat Cement Company Limited was considered by the Designated National Authority (DNA) in the Ministry of Environment.

2. The DNA hereby approves the above mentioned project as:

- a. The project activity involves installation of Heat Recovery Steam Generators (HRSGs) and steam turbo-generator for power generation. A portion of the waste heat generated by the project activity is recovered and circulated to heat the input raw material and fuel in the clinker making process.
- b. The project will contribute to sustainable development and improvement of local environmental conditions in Pakistan.
- c. This approval is for the voluntary participation of the following project participants in the proposed CDM project activity.
 - Cherat Cement Company Limited, Pakistan
 - Carbon Services (Private) Limited, Pakistan
 - First Climate (Switzerland) AG, Switzerland

3. It may further be noted that Government of Pakistan has got accession to the Kyoto Protocol on 11th January, 2005.

(Jawed Ali Khan)
D.G (Environment)

Mr. Azam Faruque
