

To Whom It May Concern

This is to certify that Tata Growth Shop have manufactured and supplied Rotary DRI kilns to M/s Neepaz Metaliks Limited for their integrated iron and steel plant at Sundergarh District in Orissa against project no-15209-3 nos,152195-1 no.&310114- 1 no. Each of the kilns has been designed for a production output (i.e. designed capacity) of 100 tonnes per day with waste gas generation of 24,000 Nm³/h. The production output and the corresponding waste gas generation will not vary significantly (a maximum possible variation of $\pm 5\%$ is reasonable).
