Dear Sir,

This has reference to our discussions regarding the 31 MW Wind Power CDM project and your proposal for the same.

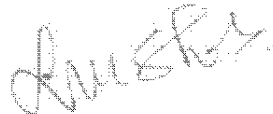

Your proposal dated 20/06/2006, presented during your factory visit had already been accepted.

As per our administrative requirement, please find enclosed the formal contract duly signed by us, and the same may be signed by your company also.

We had taken some time since we had to review the administrative requirements, and also we were following the progress of our first CDM project.

Thanking You,

Yours faithfully,
