Dear Sir,

DS

This has reference to our telephonic discussion recording the capacity of the CDM project, that we are working on. The second phase is in progress and will be reviewed in March 2006.

Our original plan was to complete 37.5 MW in three phases. But there may be some changes in the third phase as we are considering 1500 KW machines. We will communicate to you as soon as the final capacity is arrived at.

Thanking You,

Yours faithfully,  
for **GRACE INFRASTRUCTURE PVT.LTD.,**
