Dear Sir,

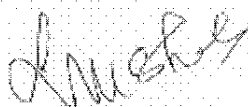

This has reference to our previous communications regarding our CDM project. Now two phases have been completed and have completed 25 MW so far.

For the third phase, we will be planning for 6.00 MW and the total project capacity now is fixed as 31 MW.

Kindly come back to us with your proposal, taking into consideration this capacity.

Thanking You,

Yours faithfully,  
for **GRACE INFRASTRUCTURE PVT.LTD.,**
