### **HOST COUNTRY APPROVAL FOR THE CLEAN DEVELOPMENT MECHANISM PROGRAMME OF ACTIVITIES: IMPROVED COOK-STOVES IN ZAMBIA**

On behalf of the officially Designated National Authority (DNA) for purposes of the Clean Development Mechanism (CDM) under article 12 of the Kyoto Protocol, I am directed to state that the Project Design Document (PDD) and the CPA for the proposed Clean Development Mechanism (CDM) project ***"Improved Cook Stoves in Zambia"*** was considered by the National CDM Board of the DNA meeting held on 1<sup>st</sup> June, 2012 and subsequently through electronic clarification of a number of points raised at the meeting. The DNA confirms that:

1. The Government of Zambia ratified the Kyoto Protocol in July 2006;
2. This is approval of voluntary participation in the proposed CDM project activity;
3. The project contributes to sustainable development in Zambia;
4. The DNA authorizes the COMACO to participate in the project.
