RE: LETTER OF APPROVAL – EFFICIENT COOK STOVE PROGRAMME: KENYA

We wish to refer to your request for host country approval for the above referred Program of Activity (POA). We note that the POA has the objective of distributing energy efficient cook stoves to households in Kenya as detailed in Appendix 1 (Cluster Division) in your Project Design Document Version 6 dated 29th September 2011.

As the Designated National Authority of Kenya for the Clean Development Mechanism, we wish to confirm that we have reviewed the Project Design Document of the above POA. We further wish to confirm that:-

- The Program is approved as a CDM POA for the purposes of Article 12 of the Kyoto Protocol.
- The Government of Kenya is Party to the Kyoto Protocol and that participation in CDM project activities is voluntary.
- The POA will contribute to Kenya's sustainable development.

We wish to note and confirm that this Program of Activity, amongst other issues, will contribute to the overall realization of Kenya Vision 2030. It is however to be noted that the POA must comply with all the required national regulatory and /or planning requirements throughout all the phases of implementation.
