**RE: Letter of Approval of Voluntary Participation in Clean Development Mechanism
Program of Activities**

Dear Sir,

The Republic of Rwanda acting through its Environment Management Authority (REMA), being the Designated National Authority (DNA) for Clean Development Mechanism (CDM), hereby confirms that:

1. The Republic of Rwanda ratified the Kyoto Protocol on 22nd July 2004;
2. The Republic of Rwanda participates in the CDM on a voluntary basis;
3. The Republic of Rwanda authorizes **Hestian Innovation Limited**, as the project proponent and Coordinating Managing Entity (CME) for the "**Biomass Energy Conservation**" Programme of Activities developed under Article 12 of the Kyoto Protocol and United Nations Framework Convention for Climate Change (UNFCCC);
4. The Programme of Activities will contribute to sustainable development in Rwanda.

As authorized representative of the DNA for the Republic of Rwanda under Kyoto Protocol, I authorize the participation of **Hestian Innovation Limited** as the project proponent and Coordinating Managing Entity (CME) and request the CDM Executive Board to issue and allocate Certified Emission Reductions (CERs) for the qualified and verified efforts of the project under CDM methodologies.

On behalf of the Designated National Authority in the Republic of Rwanda,

Dr. Rose MUKANKOMEJE
Director General of REMA
