

COMISIÓN INTERSECRETARIAL DE CAMBIO CLIMÁTICO

Intersecretarial Commission of Climate Change

# 20 / 2006

**LETTER OF PROJECT APPROVAL** from the Intersecretarial Commission of Climate Change (hereinafter ICCC), in its capacity as Designated National Authority of Mexico to the Executive Board of the Clean Development Mechanism (hereinafter CDM) outlined in Article 12 of the Kyoto Protocol.

Project Name: **"ElDorado Energy Efficiency Project"**

Project Participants: Ingenio ElDorado S.A. de C.V., EcoSecurities, Ltd., and Cargill (Switzerland).

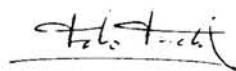

I hereby confirm that Mexico has ratified the Kyoto Protocol of the United Nations Framework Convention on Climate Change and voluntarily participates in the CDM. Therefore I declare that, having reviewed the documentation presented by the Project Participants, the ICCC, in its capacity as Designated National Authority, conclude that:

- i) Under the terms proposed, the implementation of the project "Lazaro Energy Efficiency Project" proposed by Ingenio ElDorado S.A. de C.V., EcoSecurities, Ltd., and Cargill (Switzerland), will contribute to Mexico's sustainable development.
- ii) The parties involved in the project do so voluntarily.

In view of the above, the ICCC issues this Letter of Approval exclusively for the purposes outlined in Article 12 of the Kyoto Protocol, as a requirement prior to the validation of the project by the Designated Operational Entity, and for its registration before the Executive Board of the CDM and the subsequent issuance and commercialization of Certified Emissions Reductions by the Project Participants.

This Letter of Approval does not constitute an authorization to carry out any work or activities regulated by national legislation applicable to the three tiers of government.

In accordance with articles First and Third (IV and VIII) and articles Fourth and Sixth (V) of the Agreement, the ICCC Representative:

**Dr. Fernando Tudela Abad**  
**Undersecretary of Planning and Environmental Policy**  
**Ministry of Environment and Natural Resources**  
Mexico City, January 23, 2006.
