## Letter of approval (LOA) for a project activity under article 12 of the Kyoto Protocol

**Project reference:** Chile - CDM – Regional Landfill Project on the sites of Lena Dura (municipality of Punta Arenas), Lajarilla (municipality of Vina Del Mar) and Vinita Azul (municipality of Copiapo)

**Beneficiary of the LOA:** Bionersis S.A. – 176, avenue Charles de Gaulle – 92200 Neuilly-sur-Seine (France)

**Ref. MIES:** AND-Agrément\_MDP-2007-013

The Mission interministérielle de l'effet de serre (Interministerial Task Force for Climate Change), acting as the French Designated National Authority (DNA), declares that:

1. France has ratified the Kyoto Protocol on May 31, 2002.
2. It gives its approval to the Regional Landfill Project activity to be carried out under article 12 of the Kyoto Protocol in Chile on the sites of Lena Dura (municipality of Punta Arenas), Lajarilla (municipality of Vina Del Mar) and Vinita Azul (municipality of Copiapo), as presented by Bionersis S.A. to the Mission interministérielle de l'effet de serre (Interministerial Task Force for Climate Change).
3. France does not intend to be involved in taking any decisions on the distribution of the Certified Emission Reduction Units (CERs) generated by the project.

This official letter of approval also constitutes the authorization given by the French Designated National Authority to Bionersis S.A. to take part as project participant to the above mentioned project activity to be implemented under article 12 of the Kyoto Protocol.
