CDM Executive Board workplan 2019

Version 03.0

COVER NOTE

1. Procedural background

1. The CDM Executive Board (hereinafter referred to as the Board) at its 102nd meeting approved the workplan of the Board for 2019 and requested the secretariat to include in future versions of the workplan any new mandates arising from meetings and to provide an update on the status of work at each meeting.
2. This work is in line with the requests of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP) to the Board to continue its work to further improve the consistency, efficiency and transparency of its decision-making.

2. Purpose

3. The workplan of the Board for 2019 provides an overview of the issues to be considered by the Board at each meeting during the year. This allows the Board to plan its work throughout the year, ensuring a balanced workload and an efficient use of meeting time.

3. Key issues and proposed solutions

4. Changes to the previous version of the workplan are highlighted and the rationale for changes is also provided in the document.
5. Information is provided on the type of products the Board will consider at each meeting, indicating those products that will undergo panel or working group consultation and/or calls for public input. Regular updates on certain areas of work are proposed in between meetings, in order to alleviate the agenda of the meetings of the Board.

4. Impacts

6. The regular review and updating of the workplan will ensure efficiency and transparency of the decision-making process and facilitate the management of the Board's workload.

5. Proposed work and timelines

7. The secretariat includes any new mandates arising from the meetings and provides an update on the status of work at each meeting of the Board.

6. Recommendations to the Board

8. The secretariat recommends that the Board take note of the updated workplan and provide comments, as appropriate.
