March 14, 2012

**Subject: Letter of Approval for "International water purification programme"**

**Project No.: IRI-CDM-LOA014**

As the Designated National Authority (DNA) of Iran under the Kyoto Protocol, and upon the review of the Project Idea Note (PIN) and the Project Design Document (PDD) and approval of the National CDM Committee in its meeting of 13 March, 2012, I hereby issue this **Letter of Approval** for the above mentioned project.

In providing this host country **Letter of Approval** it is confirmed that:

1. The Government of the Islamic Republic has ratified the Kyoto Protocol on 22 August 2005,
2. The participation of Iran in this CDM activity is voluntary,
3. The implementation of this project will contribute to the sustainable development of Iran,
4. The project participants, *Pure Water Ltd* and *Arian Jahan Energy Co.* are authorized to participate in this CDM project activity,
5. The project participants shall conform to the "National Rules of Procedure" in implementing the project and shall have full cooperation with the DNA throughout the lifetime of the project,
6. The Coordinating and Managing Entity, *Pure Water Ltd.* is authorized to coordinate the "International water purification programme".

7. The project participants are authorized to receive the Certified Emission Reduction (CER) issued by the CDM Executive Board in accordance with the National Rules of Procedure.

Furthermore, in providing this **Letter of Approval** the following conditions shall be complied with by the project participants:

- I. The project participants shall inform the DNA of any transaction details of CERs within 30 days of transfer of the CERs,
- II. The project participants shall furnish expeditiously any information requested by the DNA regarding the CDM project,
- III. The project participants shall be subject to the supervision of the Executive Board of CDM and the Designated Operational Entities (DOEs) under authority of the Conference of Parties (COP) of UNFCCC and Meeting of Parties (MOP) of the Kyoto Protocol,
- IV. This approval is not transferrable,
- V. This approval may be revoked if the conditions set forth here by the DNA are not satisfied.

This **Letter of Approval** is hereby issued for the Small-Scale Programme of Activities (SSC-PoA): **"International water purification programme"** under Article 12 of the Kyoto Protocol.

Best regards

Ali Mohammad Shaeeri

2. Designated National Authority of CDM Projects  
and  
Deputy Head for Human Environment
