LETTER OF AUTHORIZATION TO BURN MANUFACTURING Co. AS THE NEW COORDINATING / MANAGING ENTITY FOR THE TOP THIRD VENTURES STOVE PROGRAMME (POA 9265)

Your letters dated on 24th April 2019 requesting for transfer of the Coordinating/Managing Entity (CME) for the above referred Programme of Activities herein refers.

As the Designated National Authority of Kenya for the Clean Development Mechanism (DNA for CDM), we wish to confirm that we have reviewed the request for transfer of CME from Top Third Ventures to BURN Manufacturing Co. We note that the transfer has been necessitated by the inability of Top Third Ventures to secure financing to implement the activities prescribed under the Programme of Activities (POA) due to the collapse of the carbon market in 2012. We further note that Burn Manufacturing Co. commits to develop and implement this POA with the same framework as described in the registered POA design document.

As the Kenyan Designated National Authority for CDM, we have no objection to this transfer and therefore authorize BURN Manufacturing Co. as the new CME for Top Third Ventures Stove Programme (POA 9265). The official contact details for BURN Manufacturing Co. shall be:

Peter Scott
Chief Executive Officer
BURN Manufacturing USA LLC
Go Down 10
New Horizons Industrial Park
P.O. Box 1921 - 00232
RUIRU, KENYA

It should however be noted that this POA must comply with all the required Kenya regulatory and/or planning requirements throughout all phases of implementation.
