### Written approval of voluntary participation

Statoil ASA has informed us that they are a project participant in the following Clean Development Mechanism (CDM) projects and programme of activities listed below which are registered by the CDM Executive Board:

1. Community-Based Renewable Energy Development in the Northern Areas and Chitral (NAC), Pakistan – Project 1713
2. Rwanda Electrogaz Compact Fluorescent Lamp (CFL) distribution project – Project 3404
3. Uganda Municipal Waste Compost Programme - Programme of Activities 2956
4. Olkaria II Geothermal Expansion Project – Project 3773

The Climate and Pollution Agency, being the Norwegian Designated National Authority (DNA) under the CDM, hereby declares that:

- (i) Norway ratified the Kyoto Protocol on 30<sup>th</sup> May 2002;
- (ii) Norway participates voluntarily in the Clean Development Mechanism;

This written approval constitutes authorisation, according to the CDM modalities and procedures, of Statoil ASA's participation in the above mentioned CDM projects and programme of activities.

In providing this written approval, Norway's DNA has not considered those matters that fall within the competence of:

1. The Host Party for the CDM projects and programme of activities;

2. the Designated Operational Entity/Entities contracted by the CDM projects and programme of activities;
3. the CDM Executive Board.

Signed on behalf of Norway's Designated National Authority for the CDM,

Yours sincerely,

Signe N mdal  
Director of the Department  
of Climate and Industry
