RE: Letter of approval of voluntary participation in the Clean Development Mechanism Project

The Republic of Rwanda acting through Rwanda Environment Management Authority (REMA), being the Designated National Authority (DNA) for the Clean Development Mechanism, hereby confirms that:

1. The Republic of Rwanda has ratified Kyoto Protocol on 22nd July 2004.
2. The Republic of Rwanda participates in CDM on voluntary basis;
3. The Republic of Rwanda Authorizes **The Paradigm Project** as the project proponent for the **"Paradigm Sub Saharan Africa Cook Stove Programme"** developed under article 12 of the Kyoto protocol of the United Nations Framework Conventions for Climate Change (UNFCCC);
4. The proposed Programme of Activities will contribute to sustainable development in Rwanda

As authorized representative of the DNA for the Republic of Rwanda under Kyoto Protocol, I authorize the participation of The Paradigm Project as the project proponent and coordinating/managing entity of the above mentioned programme of activities, and require the CDM executive board to issue and allocate Certified Emission Reductions (CERs) for the qualified and verified efforts of the project under CDM methodologies to The Paradigm Project.

On behalf of the Designated National Authority for CDM in the Republic of Rwanda.

For 

Dr. Rose MUKANKOMEJE
Director General of REMA
