**GOVERNMENT OF PAKISTAN
MINISTRY OF Climate Change
4th Floor, Local Government Building,
Sector G-5/2, Islamabad, PAKISTAN

Islamabad, the 18th October, 2012

Subject: Grant of Host Country Approval to CDM Project Titled "Zorlu Enerji Wind Project".

This is to inform you that the Clean Development Mechanism (CDM), Project Design Document (PDD) for "Zorlu Enerji Wind Project", was considered by the Designated National Authority (DNA) in the Ministry of Climate Change.

2. The DNA hereby approves the above mentioned project as:

- a. The project activity is submitted to CDM Cell and aims to utilize a wind power facility to generate zero greenhouse gas (GHG) emission electricity for the Pakistan National Grid, thereby displacing electricity that is relatively carbon intensive.
- b. The project will contribute to sustainable development and improvement of local environmental conditions in Pakistan.
- c. This approval is for the voluntary participation of the following project participants in the proposed CDM project activity.
 - Zorlu Enerji Pakistan Ltd.
 - UPM Umwelt-Projekt-Management GmbH

3. It may further be noted that Government of Pakistan has got accession to the Kyoto Protocol on 11th January, 2005.
