S.p.A.

Project issued for: Community-
Based Renewable Energy
Development in the Northern Areas
and Chitral (NAC), Pakistan

Object: Article 12 of the Kyoto Protocol to the United Nations Framework Convention on Climate Change - Written Approval of voluntary participation from the Italian Designated National Authority for "Community-Based Renewable Energy Development in the Northern Areas and Chitral (NAC), Pakistan" project.

Enel Trade S.p.A. has confirmed that they will be added as project participant in the registered Clean Development Mechanism (CDM) Project 1713 "*Community-Based Renewable Energy Development in the Northern Areas and Chitral (NAC), Pakistan*" and has requested written approval of the Italian voluntary participation in the CDM from the Italian Designated National Authority (DNA).

The Letter of Approval by the Host Party's DNA, the Project Designed Document and the Validation Report are available on the UNFCCC CDM website:

<https://cdm.unfccc.int/Projects/DB/DNV-CUK1204739473.81/view>

- (iii) to the extent that what is mentioned in paragraphs 1 and 2 may constitute authorisation of Enel Trade S.p.A.'s participation in the above named PoA, and to the extent that such authorisation is required, this letter may be taken to constitute that authorisation.

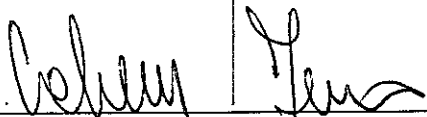

In granting authorisation, the Italian DNA has not considered those matters that fall within the competence of:

- Pakistan acting as Host Party in respect of this project;
- Det Norske Veritas AS appointed by the project participants as Designated Operational Entity in respect of this project; or
- the CDM Executive Board.
