## **C. Corrections**

### **C.1 Description of the changes as compared to the description in the registered PDD**

While reviewing the MOC form, searching the UNFCCC website and during the physical site inspection on 1<sup>st</sup> September 2015, the verification team found that the company name has been changed from Samsung electronics Co., Ltd to Samsung Display Co., Ltd and that the focal points also have been changed from Lee, Hyeong geol and Shin, Seong youp to Park, ji-ho and Chung Miri. The details are as followings:

The company name has changed from Samsung Electronics Co., Ltd to Samsung Display Co., Ltd on 2<sup>nd</sup> July 2012.

The verification team reviewed Office Copy of Corporate Registration and confirmed the change.

Responsibility and authority on PDD have been well transferred, but the physical location and organizational chart remained the same.

The correction is accurately reflected in the revised PDD (ver.11) dated on 9<sup>th</sup> October 2015.

The nominated focal points, Lee, Hyeong geol and Shin Seong youp have been changed to Park, Jiho and Chung Miri.

These changes in company name and focal points had been approved on 22/06/2015.

The verification team reviewed the capture of UNFCCC website to check the submission date (10/06/2015) and approval date (22/06/2015) provided by the PP.

The verification team confirmed that the correction has been completely done by reviewing the related evidences and all changes have been reflected in revised PDD (ver.11)

**C.2 Assessment of the impact of the changes to the project design (applicable to project activities only) In the case of a project activity, do the changes adversely impact any of the following?**

- ☐ The applicability and application of the applied methodology under which the project activity has been registered
- ☐ The additionality of the project activity
- ☐ The scale of the project activity
- ☒ None of the above

## **D. Changes to the start date of the crediting period**

*Not applicable*

## **E. Permanent changes from the registered monitoring plan or monitoring methodology**

*Not applicable*

## **F. Changes to the project design of a registered project activity**

*Not applicable*

## **G. Assessment Opinion**

KTR verification team has performed this validation on the basis of the following documents:

- CDM Executive Board: Clean Development Mechanism Project Cycle Procedure, ver. 9 of 20/02/2015
- CDM Executive Board: Clean Development Mechanism Project Standard, ver. 9 of 20/02/2015
- CDM Executive Board: Clean Development Mechanism Validation and Verification Standard, ver. 9 of 20/02/2015

The verification team determined that the company name has been changed from Samsung Electronics Co., Ltd to Samsung Display Co., Ltd and the staffs of focal points had been changed as well.

These corrections are accurately reflected in the revised PDD (ver.11)

The verification team carried out an assessment of these changes and their impact on the level of accuracy or completeness in the validation process. The verification team confirms that the identified changes do not affect the level of accuracy or completeness in the monitoring and validation process and the additionality of the project.

Hence, KTR recommends the approval of the revision of PDD reflecting the changed company name of the project participant.
