Letter of Approval
for a project under Article 12 of the Kyoto Protocol
Clean Development Mechanism

Undersigned, as a legal and authorised representative of the Designated National Authority for the Kingdom of Denmark under the Kyoto Protocol to the United Nations Framework Convention on Climate Change,

Noting that Aalborg Portland has confirmed that they are a project participant in the proposed Clean Development Mechanism project "India-FaL-G Brick and Blocks Project No. 2".

Considering that the Project is expected to provide a reduction in greenhouse gas emissions by sources that are additional to any that would otherwise occur;

declares that:

1. Denmark has ratified the Kyoto Protocol to the United Nations Framework Convention on Climate Change on May 31, 2002, and participates voluntarily in the Clean Development Mechanism;
2. Denmark approves "India-FaL-G Brick and Blocks Project No. 2" to be a Clean Development Mechanism project under Article 12 of the Kyoto Protocol and its underlying decisions;
3. Denmark approves and authorises the voluntary participation of Aalborg Portland in the Project.

This letter of approval is issued in pursuance of § 21 a of Consolidated Act 348, 9th of May 2008 and Statutory Order no. 386 of the 27th of February 2008 and signed on behalf of the Danish Energy Agency in its capacity as the Danish Designated National Authority for the Clean Development Mechanism:

Letter of Approval

for a project under Article 12 of the Kyoto Protocol

Clean Development Mechanism

Undersigned, as a legal and authorised representative of the Designated National Authority for the Kingdom of Denmark under the Kyoto Protocol to the United Nations Framework Convention on Climate Change,

Noting that Danish Ministry of Climate, Energy and Building has confirmed that they are a project participant in the proposed Clean Development Mechanism project "India-FaL-G Brick and Blocks Project No. 2".

Considering that the Project is expected to provide a reduction in greenhouse gas emissions by sources that are additional to any that would otherwise occur; declares that:

1. Denmark has ratified the Kyoto Protocol to the United Nations Framework Convention on Climate Change on May 31, 2002, and participates voluntarily in the Clean Development Mechanism;
2. Denmark approves "India-FaL-G Brick and Blocks Project No. 2" to be a Clean Development Mechanism project under Article 12 of the Kyoto Protocol and its underlying decisions;
3. Denmark approves and authorises the voluntary participation of Danish Ministry of Climate, Energy and Building in the Project.
4. The public funding from the Danish Government involved in the purchase of Certified Emission Reductions from the Project does not result in a diversion of official development assistance and is separate from and not counted towards the financial obligation of Denmark in that respect.

This letter of approval is issued in pursuance of § 21 a of Consolidated Act 348, 9th of May 2008 and Statutory Order no. 386 of the 27th of February 2008 and signed on behalf of the Danish Energy Agency in its capacity as the Danish Designated National Authority for the Clean Development Mechanism:
