

DNA Ref: ICSL/3/2007
Date of Issue: 12 April 2007
Company issued to: Inversiones Celco S.L.
Project issued for: Nueva Aldea Biomass Power
Plant Phase 2

**ARTICLE 12 KYOTO PROTOCOL TO THE UNITED NATIONS FRAMEWORK
CONVENTION ON CLIMATE CHANGE
WRITTEN APPROVAL OF VOLUNTARY PARTICIPATION FROM UK DNA**

Inversiones Celco S.L. has confirmed that they are a project participant in a proposed Clean Development Mechanism (CDM) project entitled "Nueva Aldea Biomass Power Plant Phase 2" and has requested written approval of the UK's voluntary participation in the CDM from the UK's Designated National Authority.

Inversiones Celco S.L. has provided us with the attached record of the host Party's confirmation that the project activity assists it in achieving sustainable development. "Nueva Aldea Biomass Power Plant Phase 2" was registered by the CDM Executive Board on 6th June 2006.

The Secretary of State for Environment, Food and Rural Affairs acting as the UK's DNA confirms that:

1. the United Kingdom ratified the Kyoto Protocol on 31st May 2002;
2. the UK participates voluntarily in the CDM;
3. to the extent that what is mentioned in paragraphs 1 and may constitute authorisation of Inversiones Celco S.L.'s participation in the above named CDM project activity, and to the extent that such authorisation is required, this letter may be taken to constitute that authorisation.

In granting authorisation, the UK's DNA has not considered those matters that fall within the competence of:

- Chile acting as Host Party in respect of this project;
- Det Norsk Veritas appointed by the project participants as Designated Operational Entity in respect of this project; or
- the CDM Executive Board.

The UK does not intend to issue instructions in respect of, or to participate in the request for issuance of Certified Emission Reductions (CERs).

Signed on behalf of the Secretary of State:

A handwritten signature in black ink, appearing to read 'Chris Dodwell', with a stylized flourish at the end.
