DNA Ref: NKC/DNA/42

Date of Issue: **16 FEB. 2016**

Company issued to: Electrabel SA

Project issued for: Community-Based Renewable Energy Development in the Northern Areas and Chitral (NAC), Pakistan (1713)

Article 12 Kyoto protocol to the United Nations Framework Convention on Climate Change

Written approval of voluntary participation from Belgian DNA

Electrabel SA has confirmed that they are a project participant in a proposed Clean Development Mechanism (CDM) project entitled « Community-Based Renewable Energy Development in the Northern Areas and Chitral (NAC) » in Pakistan and has requested written approval of the Belgian voluntary participation in the CDM from the Belgian Designated National Authority.

Electrabel SA has provided us with attached record of the host Party's confirmation that the project activity assists it in achieving sustainable development and has submitted all required documents and information.

The National Climate Commission acting as the Belgian DNA confirms that:

1. Belgium ratified the Kyoto Protocol on 31st May 2002;
2. Belgium participates voluntarily in the CDM ;
3. To the extent that what is mentioned in paragraphs 1 and 2 may constitute authorisation of Electrabel SA's participation in the above named CDM project activity, and to the extent that such authorisation is required, this letter may be taken to constitute that authorisation.

In granting authorisation, the Belgian DNA has not considered those matters that fall within the competence of:

- Pakistan acting as Host Party in respect of this project;
- Det Norske Veritas Certification AS (DNV) appointed by the project participants as Designated Operational Entity in respect of this project; or
- the CDM Executive Board.

Signed on behalf of the National Climate Commission,

Julien Paquet
President National Climate Commission Belgium
