**Letter of Approval**  
**for project under Article 12 of the Kyoto Protocol**  
**Clean Development Mechanism**

Undersigned, as a legal and authorised representative of the Designated National Authority for the Kingdom of Denmark under the Kyoto Protocol to the United Nations Framework Convention on Climate Change,

Noting that Aalborg Portland A/S has confirmed that they are a project participant in the proposed Clean Development Mechanism Project "Improving Kiln Efficiency in the Brick Making Industry in Bangladesh";

Considering that the Project is expected to provide a reduction in greenhouse gas emissions by sources that are additional to any that would otherwise occur;

declares that:

1. Denmark has ratified the Kyoto Protocol to the United Nations Framework Convention on Climate Change on May 31, 2002, and participates voluntarily in the Clean Development Mechanism;
2. Denmark approves "Improving Kiln Efficiency in the Brick Making Industry in Bangladesh" to be a Clean Development Mechanism Project under Article 12 of the Kyoto Protocol and its underlying decisions;
3. Denmark approves and authorises the voluntary participation of Aalborg Portland A/S in the Project;
4. Denmark approves and authorizes the voluntary participation of the International Bank for Reconstruction and Development (IBRD) as Trustee of the Danish Carbon Fund (DCF) in the Project;

This letter of approval is issued in pursuance of § 21 a of Consolidated Act 348, 9<sup>th</sup> of May 2008 and Statutory Order no. 386 of the 27<sup>th</sup> of February 2008 and signed on behalf of the Danish Energy Agency in its capacity as the Danish Designated National Authority for the Clean Development Mechanism:
