Attention: Ms Esme Gombault

DESIGNATED NATIONAL AUTHORITY (DNA) FOR THE CLEAN DEVELOPMENT MECHANISM (CDM): LETTER OF APPROVAL FOR ENVIROSERV CHLOORKOP LANDFILL GAS RECOVERY PROJECT.

We refer to the application for the DNA's Letter of Approval for EnviroServ Chloorkop Landfill Gas Recovery Project, herein referred to as the project submitted by EnviroServ Waste Management (Pty) Ltd.

The Republic of South Africa has ratified the United Nations Framework Convention on Climate Change and is a signatory to the Kyoto Protocol and complies with its obligations under these international instruments.

The DNA is the authorised body in South Africa to issue Letters of Approval for CDM projects. South Africa participates voluntarily in the CDM and in the Project.

Based exclusively on the information contained in the Project Design Document (PDD) and subject to the conditions set out herein;

We confirm that:

- a. the Project is located in South Africa;
- b. the boundary for the CDM project is the Chloorkop landfill site within Ekurhuleni Metropolitan Municipality, Gauteng Province;
- c. the Project supports sustainable development.

Letter of Approval

We authorise:

- a. the participation of EnviroServ Chloorkop Landfill Gas Recovery Project as a CDM Project;
- b. EnviroServ Waste Management (Pty) Ltd as the project proponent, to participate in this CDM Project;
- c. EnviroServ Waste Management (Pty) Ltd, if it is the legal owner of the Project, to sell the title and all rights to the greenhouse gas emission reductions generated by this Project.

This Letter of Approval is subject to the following conditions:

- a. EnviroServ Waste Management (Pty) Ltd warrant to the DNA that it is the legal owner of the Project. The DNA does not take any responsibility for the private contractual arrangements and property rights between or among project participants. The DNA may not be held liable in the event that ownership of the Project is disputed;
- b. the Project must be developed in accordance with the PDD received by the DNA;
- c. the Project must obtain all relevant authorisations as required by national laws;
- d. the DNA retains the right to withdraw the authorisation granted in terms of the Letter of Approval in the event of non-compliance with the Project Design Document.

We will, to the extent possible, cooperate with EnviroServ Waste Management (Pty) Ltd and the CDM Executive Board to facilitate the CDM project cycle. The granting of this Letter of Approval does not guarantee the registration of the Project as a CDM project by the CDM Executive Board.

By its acceptance of this Letter of Approval, EnviroServ Waste Management (Pty) Ltd indemnifies the DNA against any loss that EnviroServ Waste Management (Pty) Ltd may suffer as a result of project implementation.

Yours Sincerely,

Ms N Magubane

Director-General: Energy

Designated National Authority (DNA) for the Clean Development Mechanism (CDM):

Letter of Approval for the EnviroServ Chloorkop Landfill Gas Recovery Project

1. The DNA refers to the application for the DNA's Letter of Approval for the EnviroServ Chloorkop Landfill Gas Recovery Project, dated 04 October 2006, submitted by EnviroServ Waste Management (Pty) Ltd, herein referred to as the Project.
2. South Africa has ratified the United Nations Framework Convention on Climate Change and the Kyoto Protocol and is in compliance with its obligations under these international instruments.
3. The DNA is the authorised body in South Africa to issue Letters of Approval for CDM projects.
4. South Africa participates voluntarily in the CDM and in the Project.
5. The DNA confirms that:
 - a. the Project is located in Marsala Road, Chloorkop Industrial Area, Ekurhuleni Metropolitan Municipality, Gauteng .
 - b. the boundary for the project activity for the EnviroServ Chloorkop Landfill Gas Recovery Project is the capturing and flaring methane generated from the landfill site . The flaring of methane will only take place during the first year of the project to collect flaring data on gas quantity and quality and thereafter consider economic uses of methane such as generation of electricity.
 - c. the Project assist South Africa to achieve the sustainable development objectives.

- d. the DNA cooperate with EnviroServ Waste Management (Pty) Ltd and the CDM Executive Board to facilitate the CDM project cycle, to the extent possible.
6. The DNA authorises:
 - a. the participation of EnviroServ Waste Management (Pty) Ltd in the CDM Project;
 - b. by virtue of South Africa's national ownership of any and all greenhouse gas emissions reductions generated in the Republic within the framework of the above-mentioned international instruments and in the event that, upon generation of such greenhouse gas emissions reductions, EnviroServ Waste Management (Pty) Ltd becomes the private owner of the right title and interest in such greenhouse gas emissions reductions, and the sale of such right title and interest by EnviroServ Waste Management (Pty) Ltd
7. The duration of validity of this Letter of Approval shall be 24 months from the date hereof.
8. The authorisation granted in terms of this Letter of Approval is conditional upon the project development being in accordance with the Project Design Document dated October 04, 2006.
9. The DNA retains the right to withdraw the authorisation granted in terms of the letter of Approval in the event of the non-compliance with the conditions mentioned in the paragraph above
10. The granting of this Letter of Approval does not guarantee the registration of the Project as a CDM project by the CDM Executive Board.
11. By its acceptance of this Letter of Approval EnviroServ Waste Management (Pty) Ltd Limited indemnifies the DNA against any loss that EnviroServ Waste Management (Pty) Ltd may suffer as a result of EnviroServ Waste Management (Pty) Ltd implementation of the Project.

Yours faithfully

Advocate Sandile Nogxina

Director General
