Dr. Helmut Hojesky/

Re: Letter of Approval for the Project Activity "Catalytic N₂O destruction project in the tail gas of the Nitric Acid Plant of Abu Qir Fertilizer Co.", and Letter of Authorisation

The Republic of Austria, acting through the Austrian Federal Ministry of Agriculture, Forestry, Environment and Water Management, being the Designated National Authority (DNA) of the Republic of Austria for the CDM, hereby declares that:

- The Republic of Austria ratified the Kyoto Protocol on 31 May 2002;
- The Republic of Austria voluntarily participates in and approves the CDM project activity "Catalytic N₂O destruction project in the tail gas of the Nitric Acid Plant of Abu Qir Fertilizer Co.";
- The public funding of the Republic of Austria involved in the purchase of Certified Emission Reductions (CERs) resulting from this project activity does not result in a diversion of official development assistance and is separate from and is not counted towards the financial obligations of the Republic of Austria.

Kommunalkredit Public Consulting GmbH is representing the Republic of Austria in the above mentioned project activity and therefore is authorized to participate in the "Catalytic N₂O destruction project in the tail gas of the Nitric Acid Plant of Abu Qir Fertilizer Co.".

For the Minister:
